Re: Extension of Filing Deadline for 2021 Annual Operations Report

Dear Ms. Villalon:

On March 9, 2022, we received a request from Golden Valley Electric Association (GVEA) to be allowed to delay submission of the 2021 annual report, for certificate number 13, until April 30, 2022. GVEA indicated that the request is necessary because its audited financial statements will not be accepted until April 2022.

We reviewed the request and determined that an extension should be granted; therefore, we grant GVEA's request to extend the annual report filing deadline until April 30, 2022. However, by March 31, 2022, AEL&P shall report to the Commission the selected annual report data requested in our online Utility Annual Report by logging in at: <https://rca.alaska.gov/RCAWeb/Home.aspx>. GVEA should input preliminary data at this website and, if necessary, update those numbers when finalized numbers become known. GVEA stated in its request that it intends to comply with this reporting requirement.

GVEA's attention to the complete preparation of the annual report is appreciated. If GVEA has any questions regarding the contents of this Letter Order, please contact Julie C. Vogler, Utility Financial Analyst, at (907) 263-2168 or Julie.vogler@alaska.gov.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA

Julie C. Vogler
